charcoal blue green burgundy red silver* (add 6%)

For school libraries, reading corners, resource areas and staff offices, this range has a versatile shelf system which allows any 300mm deep shelf to be fitted horizontally or at a display angle. Available in single sided or back-to-back double sided and three heights. Please note that shelves are ordered separately.

Fixing guides for the Shelving range are available to download from our website: http://www.cfg.gov.uk/products/data_folder/data_pg.htm
The default finish for this range is beech MFC. To specify a different finish, replace cat ref suffix "bch" with "gry" for dark grey, or "mpl" for maple.

* silver frame option incurs a 6% price increase
