

workstation chair

upholstery

slate	cobalt	sapphire	jade	verdigris	copper	ruby	terracota

base

black

A higher specification than the Wren and Merlin, these are an adult chair which has sufficient adjustment for ages down to 11 years in a Secondary school environment. The higher specified configuration includes a forward tilt mechanism which provides a better ergonomic posture for extended keyboard work.

All items are supplied with castors as standard to provide maximum flexibility of movement in and out of work positions. Glides can be fitted as an option, contact supplier for details.

Standard upholstery options have been tested in accordance with B S 5690: 1991 as modified by Annex F of B S 2543: 1995 to 150000 rubs and has been graded "SEVERE CONTRACT". They have a fire retardancy rating of 5 (suitable for use in premises categorised as Medium Hazard.)
