

upholstery

Cleaning

The upholstery may be brushed, vacuumed or cleaned using a proprietary upholstery shampoo.

Reupholstery/upholstery replacement

new sets of seats and backs are available from the [cfg™] manufactures or can be reupholstered by local contractors. please note all foam should be replaced as well as cover, use CMHR foam (combustion modified high resilient)

note: check all metal work for defective welds and fixings and frames for bent or deformed structure prior to refurbishing seating
